

Life in this society being, at best, an utter bore and no aspect of society being at all relevant to women, there remains to civic-minded, responsible, thrill-seeking females only to overthrow the government, eliminate the money system, institute complete automation and destroy the male sex.

It is now technically feasible to reproduce without the aid of males (or, for that matter, females) and to produce only females. We must begin immediately to do so. Retaining the male has not even the dubious purpose of reproduction. The male is a biological accident: the **Y** (male) gene is an incomplete **X** (female) gene, that is, it has an incomplete set of chromosomes. In other words, the male is an incomplete female, a walking abortion, aborted at the gene stage. To be male is to be deficient, emotionally limited; maleness is a deficiency disease

and males are emotional cripples.

The male is completely egocentric, trapped inside himself, incapable of empathizing or identifying with others, of love, friendship, affection, of tenderness. He is a completely isolated unit, incapable of rapport with anyone. His responses are entirely visceral, not cerebral; his intelligence is a mere tool in the services of his drives and needs; he is incapable of mental passion, mental interaction; he can't relate to anything other than his own physical sensations. He is a half-dead, unresponsive lump, incapable of giving or receiving pleasure or happiness; consequently, he is at best an utter bore, an inoffensive blob, since only those capable of absorption in others can be charming. He is trapped in a twilight zone halfway between humans and apes, and is far worse off than the apes because, unlike the apes, he is capable of a large array of negative feelings – hate, jealousy, contempt, disgust, guilt, shame, doubt – and moreover, he is aware of what he is and what he isn't.

Although completely physical, the male is unfit even for stud service. Even assuming mechanical proficiency, which few men have, he is, first of all, incapable of zestfully, lustfully, tearing off a piece, but instead is eaten up with guilt, shame, fear and insecurity, feelings rooted in male nature, which the most enlightened training can only minimize; second, the physical feeling he attains is next to nothing; and third, he is not empathizing with his partner, but is obsessed with how he's doing, turning in an A performance, doing a good plumb-

ing job. To call a man an animal is to flatter him; he's a machine, a walking dildo. It's often said that men use women. Use them for what? Surely not pleasure.

Eaten up with guilt, shame, fears and insecurities and obtaining, if he's lucky, a barely perceptible physical feeling, the male is, nonetheless, obsessed with screwing; he'll swim through a river of snot, wade nostril-deep through a mile of vomit, if he thinks there'll be a friendly pussy awaiting him. He'll screw a woman he despises, any snaggle-toothed hag, and furthermore, pay for the opportunity. Why? Relieving physical tension isn't the answer, as masturbation suffices for that. It's not ego satisfaction; that doesn't explain screwing corpses and babies.

Completely egocentric, unable to relate, empathize or identify, and filled with a vast, pervasive, diffuse sexuality, the male is psychically passive. He hates his passivity, so he projects it onto women, defines the male as active, then sets out to prove that he is ("prove that he is a Man"). His main means of attempting to prove it is screwing (Big Man with a Big Dick tearing off a Big Piece). Since he's attempting to prove an error, he must "prove" it again and again. Screwing, then, is a desperate compulsive, attempt to prove he's not passive, not a woman; but he is passive and does want to be a woman.

Being an incomplete female, the male spends his life attempting to complete himself, to become female. He attempts to do this by con-

stantly seeking out, fraternizing with and trying to live through and fuse with the female, and by claiming as his own all female characteristics – emotional strength and independence, forcefulness, dynamism, decisiveness, coolness, objectivity, assertiveness, courage, integrity, vitality, intensity, depth of character, grooviness, etc. – and projecting onto women all male traits – vanity, frivolity, triviality, weakness, etc. It should be said, though, that the male has one glaring area of superiority over the female – public relations. (He has done a brilliant job of convincing millions of women that men are women and women are men.) The male claim that females find fulfillment through motherhood, and sexuality reflects what males think they'd find fulfilling if they were female.

Women, in other words, don't have penis envy; men have pussy envy. When the male accepts his passivity, defines himself as a woman (males as well as females think men are women and women are men), and becomes a transvestite, he loses his desire to screw (or to do anything else, for that matter; he fulfills himself as a drag queen) and gets his dick chopped off. He then achieves a continuous diffuse sexual feeling from "being a woman." Screwing is, for a man, a defense against his desire to be female. He is responsible for:

WAR

The male's normal compensation for not being female, namely, getting his Big Gun off, is grossly inadequate, as he can get it off only a very limited number of times; so he gets it off on a really massive

scale, and proves to the entire world that he's a "Man." Since he has no compassion or ability to empathize or identify, proving his manhood is worth an endless amount of mutilation and suffering and an endless number of lives, including his own – his own life being worthless, he would rather go out in a blaze of glory than to plod grimly on for fifty more years.

NICENESS, POLITENESS, AND "DIGNITY"

Every man, deep down, knows he's a worthless piece of shit. Overwhelmed by a sense of animalism and deeply ashamed of it; wanting, not to express himself, but to hide from others his total physicality, total egocentricity, the hate and contempt he feels for other men, and to hide from himself the hate and contempt he suspects other men feel for him; having a crudely constructed nervous system that is easily upset by the least display of emotion or feeling, the male tries to enforce a "social" code that ensures perfect blandness, unsullied by the slightest trace or feeling or upsetting opinion. He uses terms like "copulate," "sexual congress," "have relations with" (to men sexual relations is a redundancy), overlaid with stilted manners; the suit on the chimp.

MONEY, MARRIAGE AND PROSTITUTION, WORK AND PREVENTION OF AN AUTOMATED SOCIETY

There is no human reason for money or for anyone to work more than two or three hours a week at the very most. All non-creative jobs (practically all jobs now being done) could have been automated long

live through her than to try to become her and usurp her qualities, claim them as his own, push the female down and claim that she's a male. The fag, who accepts his maleness, that is, his passivity and total sexuality, his femininity, is also best served by women being truly female, as it would then be easier for him to be male, feminine. If men were wise they would seek to become really female, would do intensive biological research that would lead to them, by means of operations on the brain and nervous system, being able to be transformed in psyche, as well as body, into women.

Whether to continue to use females for reproduction or to reproduce in the laboratory will also become academic: what will happen when every female, twelve and over, is routinely taking the Pill and there are no longer any accidents? How many women will deliberately get or (if an accident) remain pregnant? No, Virginia, women don't just adore being brood mares, despite what the mass of robot, brain-washed women will say. When society consists of only the fully conscious the answer will be none. Should a certain percentage of men be set aside by force to serve as brood mares for the species? Obviously this will not do. The answer is laboratory reproduction of babies.

As for the issue of whether or not to continue to reproduce males, it doesn't follow that because the male, like disease, has always existed among us that he should continue to exist. When genetic control is possible – and soon it will be – it goes without saying that we should

produce only whole, complete beings, not physical defects of deficiencies, including emotional deficiencies, such as maleness. Just as the deliberate production of blind people would be highly immoral, so would be the deliberate production of emotional cripples.

Why produce even females? Why should there be future generations? What is their purpose? When aging and death are eliminated, why continue to reproduce? Why should we care what happens when we're dead? Why should we care that there is no younger generation to succeed us?

Eventually the natural course of events, of social evolution, will lead to total female control of the world and, subsequently, to the cessation of the production of males and, ultimately, to the cessation of the production of females.

But SCUM is impatient; SCUM is not consoled by the thought that future generations will thrive; SCUM wants to grab some thrilling living for itself. And, if a large majority of women were SCUM, they could acquire complete control of this country within a few weeks simply by withdrawing from the labor force, thereby paralyzing the entire nation. Additional measures, any one of which would be sufficient to completely disrupt the economy and everything else, would be for women to declare themselves off the money system, stop buying, just loot and simply refuse to obey all laws they don't care to obey. The police force, National Guard, Army, Navy and Marines

combined couldn't squelch a rebellion of over half the population, particularly when it's made up of people they are utterly helpless without.

If all women simply left men, refused to have anything to do with any of them – ever – all men, the government, and the national economy would collapse completely. Even without leaving men, women who are aware of the extent of their superiority to and power over men, could acquire complete control over everything within a few weeks, could effect a total submission of males to females. In a sane society the male would trot along obediently after the female. The male is docile and easily led, easily subjected to the domination of any female who cares to dominate him. The male, in fact, wants desperately to be led by females, wants Mama in charge, wants to abandon himself to her care. But this is not a sane society, and most women are not even dimly aware of where they're at in relation to men.

The conflict, therefore, is not between females and males, but between SCUM – dominant, secure, self-confident, nasty, violent, selfish, independent, proud, thrill-seeking, free-wheeling, arrogant females, who consider themselves fit to rule the universe, who have free-wheeled to the limits of this "society" and are ready to wheel on to something far beyond what it has to offer – and nice, passive, accepting "cultivated," polite, dignified, subdued, dependent, scared, mindless, insecure, approval-seeking Daddy's Girls, who can't cope with the unknown, who want to hang back with the apes, who feel secure only with Big Daddy standing by, with a big strong man to

lean on and with a fat, hairy face in the White House, who are too cowardly to face up to the hideous reality of what a man is, what Daddy is, who have cast their lot with the swine, who have adapted themselves to animalism, feel superficially comfortable with it and know no other way of "life," who have reduced their minds, thoughts and sights to the male level, who, lacking sense, imagination and wit can have value only in a male "society," who can have a place in the sun, or, rather, in the slime, only as soothers, ego boosters, relaxers and breeders, who are dismissed as inconsequents by other females, who project their deficiencies, their maleness, onto all females and see the female as worm.

But SCUM is too impatient to wait for the de-brainwashing of millions of assholes. Why should the swinging females continue to plod dismally along with the dull male ones? Why should the fates of the groovy and the creepy be intertwined? Why should the active and imaginative consult the passive and dull on social policy? Why should the independent be confined to the sewer along with the dependent who need Daddy to cling to? A small handful of SCUM can take over the country within a year by systematically fucking up the system, selectively destroying property, and murder.

SCUM will become members of the unwork force, the fuck-up force; they will get jobs of various kinds and unwork. For example, SCUM salesgirls will not charge for merchandise; SCUM telephone operators will not charge for calls; SCUM office and factory workers, in addi-

tion to fucking up their work, will secretly destroy equipment. SCUM will unwork at a job until fired, then get a new job to unwork at.

SCUM will forcibly relieve bus drivers, cab drivers and subway token sellers of their jobs and run buses and cabs and dispense free tokens to the public.

SCUM will destroy all useless and harmful objects – cars, store windows, “Great Art,” etc.

Eventually SCUM will take over the airwaves – radio and TV networks – by forcibly relieving of their jobs all radio and TV employees who would impede SCUM’s entry into the broadcasting studios.

SCUM will couple-bust – barge into mixed (male-female) couples, wherever they are, and bust them up.

SCUM will kill all men who are not in the Men’s Auxiliary of SCUM. Men in the Men’s Auxiliary are those men who are working diligently to eliminate themselves, men who, regardless of their motives, do good, men who are playing pall with SCUM. A few examples of the men in the Men’s Auxiliary are: men who kill men; biological scientists who are working on constructive programs, as opposed to biological warfare; journalists, writers, editors, publishers and producers who disseminate and promote ideas that will lead to the achievement of SCUM’s goals; faggots who, by their shimmer-

ing, flaming example, encourage other men to de-man themselves and thereby make themselves relatively inoffensive; men who consistently give things away – money, things, services; men who tell it like it is (so far not one ever has), who put women straight, who reveal the truth about themselves, who give the mindless male-females correct sentences to parrot, who tell them a woman’s primary goal in life should be to squash the male sex (to aid men in this endeavor SCUM will conduct Turd Sessions, at which every male present will give a speech beginning with the sentence: “I am a turd, a lowly abject turd,” then proceed to list all the ways in which he is. His reward for doing so will be the opportunity to fraternize after the session for a whole, solid hour with the SCUM who will be present. Nice, clean-living male women will be invited to the sessions to help clarify any doubts and misunderstandings they may have about the male sex); makers and promoters of sex books and movies, etc., who are hastening the day when all that will be shown on the screen will be Suck and Fuck (males, like the rats following the Pied Piper, will be lured by Pussy to their doom, will be overcome and submerged by and will eventually drown in the passive flesh that they are); drug pushers and advocates, who are hastening the dropping out of men.

Being in the Men’s Auxiliary is a necessary but not a sufficient condition for making SCUM’s escape list; it’s not enough to do good; to save their worthless asses men must also avoid evil. A few examples of the most obnoxious or harmful types are: rapists, politicians and all who are in their service (campaigners, members of political par-

ties, etc.); lousy singers and musicians; Chairmen of Boards; Breadwinners; landlords; owners of greasy spoons and restaurants that play Muzak; "Great Artists"; cheap pikers and welchers; cops; tycoons; scientists working on death and destruction programs or for private industry (practically all scientists); liars and phonies; disc jockeys; men who intrude themselves in the slightest way on any strange female; real estate men; stock brokers; men who speak when they have nothing to say; men who sit idly on the street and mar the landscape with their presence; double dealers; flim-flam artists; litter-bugs; plagiarizers; men who in the slightest way harm any female; all men in the advertising industry; psychiatrists and clinical psychologists; dishonest writers, journalists, editors, publishers, etc.; censors on both the public and private levels; all members of the armed forces, including draftees (LBJ and McNamara give orders, but servicemen carry them out) and particularly pilots (if the bomb drops, LBJ won't drop it; a pilot will). In the case of a man whose behavior falls into both the good and bad categories, an overall subjective evaluation of him will be made to determine if his behavior is, in the balance, good or bad.

It is most tempting to pick off the female "Great Artists," liars and phonies, etc., along with the men, but that would be inexpedient, as it would not be clear to most of the public that the female killed was a male. All women have a fink streak in them, to a greater or lesser degree, but it stems from a lifetime of living among men. Eliminate men and women will shape up. Women are improvable; men are not,

although their behavior is. When SCUM gets hot on their asses it'll shape up fast.

Simultaneously with the fucking-up, looting, couple-busting, destroying and killing, SCUM will recruit. SCUM, then, will consist of recruiters, the Elite corps – the hard-core activists (the fuck-ups, looters and destroyers) and the Elite of the Elite – the killers.

Dropping out is not the answer; fucking-up is. Most women are already dropped out; they were never in. Dropping out gives control to those few who don't drop out; dropping out is exactly what the establishment leaders want; it plays into the hands of the enemy; it strengthens the system instead of undermining it, since it is based entirely on the non-participating, passivity, apathy and non-involvement of the mass of women. Dropping out, however, is an excellent policy for men, and SCUM will enthusiastically encourage it.

Looking inside yourself for salvation, contemplating your navel, is not, as the Drop Out people would have you believe, the answer. Happiness lies outside yourself, is achieved through interacting with others. Self-forgetfulness should be one's goal, not self-absorption. The male, capable of only the latter, makes a virtue of irremediable fault and sets up self-absorption, not only as a good but as a Philosophical Good, and thus gets credit for being deep.

SCUM will not picket, demonstrate, march or strike to attempt to

achieve its ends. Such tactics are for nice, genteel ladies who scrupulously take only such action as is guaranteed to be ineffective. In addition, only decent, clean-living male women, highly trained in submerging themselves in the species, act on a mob basis. SCUM consists of individuals; SCUM is not a mob, a blob. Only as many SCUM will do a job as are needed for the job. Also SCUM, being cool and selfish, will not subject to getting itself rapped on the head with billy clubs; that's for the nice, "privileged, educated," middle-class ladies with a high regard for the touching faith in the essential goodness of Daddy and policemen. If SCUM ever marches, it will be over the President's stupid, sickening face; if SCUM ever strikes, it will be in the dark with a six-inch blade.

SCUM will always operate on a criminal as opposed to a civil disobedience basis, that is, as opposed to openly violating the law and going to jail in order to draw attention to an injustice. Such tactics acknowledge the rightness of the overall system and are used only to modify it slightly, change specific laws. SCUM is against the entire system, the very idea of law and government. SCUM is out to destroy the system, not attain certain rights within it. Also, SCUM – always selfish, always cool – will always aim to avoid detection and punishment. SCUM will always be furtive, sneaky, underhanded (although SCUM murders will always be known to be such).

Both destruction and killing will be selective and discriminate. SCUM is against half-crazed, indiscriminate riots, with no clear

objective in mind, and in which many of your own kind are picked off. SCUM will never instigate, encourage or participate in riots of any kind or other form of indiscriminate destruction. SCUM will coolly, furtively, stalk its prey and quietly move in for the kill. Destruction will never be such as to block off routes needed for the transportation of food or other essential supplies, contaminate or cut off the water supply, block streets and traffic to the extent that ambulances can't get through or impede the functioning of hospitals.

SCUM will keep on destroying, looting, fucking-up and killing until the money-work system no longer exists and automation is completely instituted or until enough women cooperate with SCUM to make violence unnecessary to achieve these goals, that is, until enough women either unwork or quit work, start looting, leave men and refuse to obey all laws inappropriate to a truly civilized society. Many women will fall into line, but many others, who surrendered long ago to the enemy, who are so adapted to animalism, to maleness, that they like restrictions and restraints, don't know what to do with freedom, will continue to be toadies and doormats, just as peasants in rice paddies remain peasants in rice paddies as one regime topples another. A few of the more volatile will whimper and sulk and throw their toys and dishrags on the floor, but SCUM will continue to steamroller over them.

A completely automated society can be accomplished very simply and quickly once there is a public demand for it. The blueprints for

it are already in existence, and its construction will take only a few weeks with millions of people working on it. Even though off the money system, everyone will be most happy to pitch in and get the automated society built; it will mark the beginning of a fantastic new era, and there will be a celebration atmosphere accompanying the construction.

The elimination of money and the complete institution of automation are basic to all other SCUM reforms; without these two the others can't take place; with them the others will take place very rapidly. The government will automatically collapse. With complete automation it will be possible for every woman to vote directly on every issue by means of an electronic voting machine in her house. Since the government is occupied almost entirely with regulating economic affairs and legislating against purely private matters, the elimination of money and with it the elimination of males who wish to legislate "morality" will mean there will be practically no issues to vote on.

After the elimination of money there will be no further need to kill men; they will be stripped of the only power they have over psychologically independent females. They will be able to impose themselves only on the doormats, who like to be imposed on. The rest of the women will be busy solving the few remaining unsolved problems before planning their agenda for eternity and Utopia – completely revamping educational programs so that millions of women can be trained within a few months for high level intellectual work

that now requires years of training (this can be done very easily once out educational goal is to educate and not perpetuate an academic and intellectual elite); solving the problems of disease and old age and death and completely redesigning our cities and living quarters. Many women will for a while continue to think they dig men, but as they become accustomed to female society and as they become absorbed in their projects, they will eventually come to see the utter uselessness and banality of the male.

The few remaining men can exist out their puny days dropped out on drugs or strutting around in drag or passively watching the high-powered female in action, fulfilling themselves as spectators, vicarious lovers* or breeding in the cow pasture with the toadies, or they can go off to the nearest friendly suicide center where they will be quietly, quickly, and painlessly gassed to death.

Prior to the institution of automation, to the replacement of males by machines, the male should be of use to the female, wait on her, cater to her slightest whim, obey her every command, be totally subservient to her, exist in perfect obedience to her will, as opposed to the completely warped, degenerate situation we have now of men, not only not existing at all, cluttering up the world with their ignominious presence, but being pandered to and groveled before by the mass of females, millions of women piously worshipping the Golden Calf, the dog leading the master on a leash, when in fact the male, short of being a drag queen, is least miserable when his dogginess is

* It will be electronically possible for them to tune into any specific female they want to and follow in detail her every movement. The females will kindly, obligingly consent to this, as it won't hurt them in the slightest and it is a marvellously kind and humane way to treat their unfortunate, handicapped fellow beings.

VALERIE SOLANAS

recognized – no unrealistic emotional demands are made of him and the completely together female is calling the shots. Rational men want to be squashed, stepped on, crushed and crunched, treated as the curs, the filth that they are, have their repulsiveness confirmed.

The sick, irrational men, those who attempt to defend themselves against their disgustingness, when they see SCUM barreling down on them, will cling in terror to Big Mama with her Big Bouncy Boobies, but Boobies won't protect them against SCUM; Big Mama will be clinging to Big Daddy, who will be in the corner shitting in his forceful, dynamic pants. Men who are rational, however, won't kick or struggle or raise a distressing fuss, but will just sit back, relax, enjoy the show and ride the waves to their demise.

–1967
